

Puffy Diamond HYBRID Mattress

16" | 10 LAYERS

Exclusive Diamond Pillowtop

1. **Cooling Quilted Cloud Cover** - features cooling yarns with a 'cool to the touch' feel.
2. **Alpaca Wool Filling** - a hypoallergenic, moisture-wicking layer that regulates heat.
3. **Climate Fiber Layer** - heat-resistant fibers to enhance airflow.
4. **Full-Body Pressure-Relief** - a memory foam layer that contours to the body.
5. **Enhanced Cushioning Foam** - a soft foam layer with cloudlike cushioning.

6 Exclusive Diamond Latex Response Layer

1-inch high-quality latex layer is airy and springy and provides ultra-responsive support.

7 Reflexive Memory Foam

2-inch premium contouring foam with consistent support in every position recovers quickly so you recover quickly.

8 Cloud Air Technology Foam

3-inch foam layer features sculpting technology segmented into five support zones for the head, neck, shoulders, back, and legs.

9 Firm Core Support Foam + Contour-Adapt Coils

A 7 ½ -inch layer combining individually-pocketed coils and high-density foam for stability and motion isolation, all the way to the mattress edges.

10 Grip Base Cover

Eliminates mattress movement while sitting perfectly on any flat surface.
